SECTION I - MY UNDERSTANDINGS

A. I understand that the Dealer has equipped the Vehicle with a vehicle starter interruption device (the “Device”) or a GPS System (the “GPS”) or both. The GPS is a tracking system which will allow the Dealer or any entity that purchases the Contract from the Dealer to locate the Vehicle in the event of default or theft. I understand that I do not own the Device or the GPS until I pay my Contract in full. I understand that the cost of the Device and the GPS, as well as the cost of installation, was not directly or indirectly charged to me. The Device is designed to ensure that I make my payments on time as required by the Contract. **To make an immediate payment to Credit Acceptance, call the toll-free number 1-800-634-1506 or 1-800-656-4555.**

B. I understand that **I WILL NOT BE ABLE TO START** the Vehicle if I am in default of my Contract as defined in the Contract (“Default”). The most typical reason for default is failure pay any amount due under the Contract when it is due. **I understand that the Vehicle WILL NOT be disabled unless and until I Default.**

C. I understand that if the Device is activated, in order to restart the Vehicle, I will need to bring my Contract current with Credit Acceptance Corporation (“Credit Acceptance”) in order to have the Device de-activated. If my Contract is not promptly brought current, Credit Acceptance will take all actions permitted by applicable law to repossess and sell the Vehicle.

SECTION II - MY ACKNOWLEDGMENTS – CONSENT FOR INSTALLATION AND OPERATION OF THE DEVICE

A. By initialing and signing below, I am acknowledging the fact that the Vehicle was equipped with the Device and the GPS; that I consent to the installation of the Device and the GPS; that it is my choice to buy this Vehicle from the Dealer with the Device and GPS; and that if I prefer to buy a vehicle that does
not have a Device and the GPS, that I am free to find a different or alternative seller of automobiles.

B. By initialing and signing below, I am acknowledging my understanding and acceptance of the terms and conditions of this Agreement regarding the installation of the Device and the GPS, plus my obligation to make timely payments under the Contract, and the consequences if I fail to make my payments when due.
