TRAVEL SMART... STAY CONNECTED

Introducing . . . **TRAK100**

By combining the accuracy of GPS (Global Positioning Satellites) with the power of the internet and wireless technology Guidepoint Systems has developed an incredible tool that allows you to keep an "eye" on your vehicle 24/7, 365 days a year – TRAK 100. Not knowing where your vehicle is or where it has been, is a thing of the past – no matter who is driving.

With TRAK 100 you'll get answers you can trust. Find your vehicle's exact location, set up email alerts, track its speed and know where it has traveled. If your vehicle is ever stolen, you now possess all the information needed for law enforcement to recover your vehicle.

Do not attempt to retrieve a stolen vehicle yourself.

FEATURES

GPS Vehicle Locator

Knowing your vehicle's location is as easy as going online or using your Smartphone. Your TRAK 100 gives you the ability to track your vehicle "real-time" when it's being used by anyone else, such as your teens, friends or other family members.

Nationwide Coverage

Your TRAK 100 provides complete coverage throughout the U.S., Canada and Mexico.

Stolen Vehicle Assistance

If your vehicle is ever stolen, call your local police department and file a stolen vehicle report. Once you have a stolen vehicle report number, immediately call the 24/7 Response Center at: 888-477-3463 and one of our Recovery Specialists will work with law enforcement in the recovery of your vehicle.

Online Vehicle Locates

Your TRAK 100 plan includes unlimited online and Smartphone App vehicle locates.

Excessive Speed Alerts

Receive Speed Alert e-mail notification when your vehicle exceeds preset speed settings.

Arrival/Departure Alerts

Receive Arrival/Departure e-mail notification when your vehicle moves outside of specific locations.

Low Battery Alerts

Receive Low Battery e-mail notification if your vehicle's battery drops below 10.7 volts.

Landmarking/Geographic Boundary Alerts

When your vehicle travels outside the preset boundaries, you will receive an e-mail notification.

Automatic Theft Notification

If your vehicle moves outside a mile radius, while the ignition is off, you will receive an email notification.

Transferable

Your TRAK 100 can be transferred to your next vehicle.

TRAK 100 may reduce your automobile insurance premium.
